Dear Choice Environmental Services, Inc.,

We want to thank you so much for adopting our class! With the money that you donated, we were able to buy many new classroom supplies, center activities, and books for our library. Our classroom is a much better environment for learning and we are so appreciative that you helped us further our education. Thank you for caring!

Sincerely,
Mrs. Luna's Kindergarten Class
Stephen Foster Elementary

Thank you
Choice Environmental Services, Inc.

CHOICE ENVIRONMENTAL

salutes Bobbi and her team for all their great work helping homeless and abused animals
